

MR. MATS JOHANSSON

Mr. Mats Johansson has had major experience and success in sailing. He is also a successful entrepreneur.

Mr. Johansson got his education at GTI, Gothenburg Technical Institute in 1977 & at the Philip Holmqvist Marketing Institute in 1978. He went on to become a result-oriented salesman from 1978~1993.

In the capacity of President, Mr. Johansson now runs two companies in the lighting business. The first company is Lumitech AB, started in the early 1990s. The second one is Scan Interlight AB, which has 8 employees and a turnover of approximately SEK 40 million. SI AB has marketed and sold products for the Performance in Lighting Group, a major Italian group of companies, for the last ten years. Mr. Johansson also has a boat and fishing charter Company in Onsala AB.

Mr. Johansson is a member of SS Kaparen Yacht Club, Gothenburg Yacht Club and GKSS, Gothenburg Royal Sailing Club.

Mr. Johansson was an accredited athlete at the 1988 Olympic Games in Korea, star boat (4), and also at the 2000 Olympic Games in Sydney, star boat (13). He was a seven time medallist in South and North American, European and World Championships in sailing and ten times Swedish champion in sailing. He was also a two time "Sailor of the Year" award winner in Sweden and part of the Swedish National Sailing Team for about twenty years. Mr. Johansson was skipper and project manager of the Swedish Americas Cup challenge Victory Challenge in New Zealand 2003. Besides sailing, Mr. Johansson is an accomplished skier (downhill) and tennis player.
